## CHC50121 Diploma of Early Childhood Education & Care

Our CHC50121 Diploma of Early Childhood Education and Care provides advanced, in-depth training in early childhood development.

Our course provides comprehensive training in key areas such as:

- Fostering holistic learning, development and wellbeing.
- Nurturing creativity.
- Developing partnerships with children's families.
- Supporting inclusion and diversity.
- Planning and implementing children's education and care curriculum.
- Compliance.

This program provides in-depth training in leadership, advanced educational practices, and management

skills, preparing you for more responsibility and leadership roles within early childhood education settings.

This diploma is ideal for current early childhood educators seeking to enhance their skills and take on leadership roles. We offer learning options, available as both a traineeship and non-traineeship, to suit your needs. Whether you choose the traineeship option, where you can earn while you learn and gain practical experience in a real support setting, or the non-traineeship option, you will receive comprehensive online and in-person support, ensuring you receive a high-quality education.

Entry to this qualification is open to individuals who: hold a CHC30121 Certificate III in Early Childhood and Care or a CHC30113 Certificate III in Early Childhood and Care.

**Placement:** To complete this course, learners must complete 280 hours of on-the-job experience.
