

CHC30121 Certificate III in Early Childhood Education & Care

Skills for a brighter future.

CHC30121 Certificate III in Early Childhood Education & Care.

Our CHC30121 Certificate III in Early Childhood Education and Care provides foundational training in early childhood development.

Our course provides comprehensive training in key areas such as:

- Understanding and using an approved learning framework
- Support children's play and learning
- Meet legal and ethical obligations
- Nurture babies and toddlers
- Supporting holistic learning and development
- Positive and respectful relationships.

This qualification will enable you to become an early childhood educator able to work in long day care centres, out of school care, family day care, pre-schools, or kindergartens.

We offer learning options, available as both a traineeship and non-traineeship, to suit your needs. Whether you choose the traineeship option, where you can earn while you learn and gain practical experience in a real support setting, or the non-traineeship option, you will receive comprehensive online and in-person support, ensuring you receive a high-quality education.

Placement: To complete this course, learners must complete 160 hours of on-the-job experience.
